

God is a jealous God!

Zechariah 5: visions 6 & 7

1 He Demands _____
He curses _____
Sins against _____
Sins against _____
He will purge His _____

2 He Demands _____
The people worshipped _____
The _____ cult must be removed

Application: God is still a jealous God. He still demands obedience and allegiance. He purges His church, and all wickedness must be removed.

Do not mistake His mercy for weakness! He is loving, and He is good, but that doesn't mean He is weak! He accepts you just as you are, but loves you too much to leave you that way.
