Ministers serve each member of the body (primarily by teaching the Word, caring for them, praying, counseling, encouraging, leading by example and deed)

You serve each member of the body (by teaching, leading, caring, praying, encouraging, helping, going, doing, feeding, bearing burdens, sharing life)

Each of us, as members of the body, serves “the world” around them (by praying, loving, helping, rescuing, “stepping in”, speaking: by representing and presenting the Good News of Christ to a lost and dying people)
